Good morning Mr. Gee,

I hope all is well at the EPA. As you know the Muscogee (Creek) Nation, and all of Indian Country, experienced a historic win with the ruling of the McGirt case. The Muscogee Nation would like to formally request a consultation meeting for an explanation of how the SAFETEA Act affects our reservation. If you could either forward our request to the appropriate person or let me know who to contact I would appreciate it. Mvto and have a good day.

I have scheduled Tina and Tod to quickly summarize the McGirt decision, and 'Region 6' to discuss consultation. We had 90 attendees in the afternoon. If we have 100 tribal attendees and 100 EPA attendees that gives us a fifty attendee cushion.

I did find out today that we can remove attendees if needed; we had some EPA folks mistakenly attend the Caucus session in the morning. If we get close to 200 at the start we will start thinking about removing EPA folks that are not speaking at the meeting.

Good morning Mr. Gee,

I hope all is well at the EPA. As you know the Muscogee (Creek) Nation, and all of Indian Country, experienced a historic win with the ruling of the McGirt case. The Muscogee Nation would like to formally request a consultation meeting for an explanation of how the SAFETEA Act affects our reservation. If you could either forward our request to the appropriate person or let me know who to contact I would appreciate it. Mvto and have a good day.

I know we have Regional Counsel representation talk at the RTOC Meeting last week. I wonder if they would be willing to do the same thing for an NTAA webinar.

Hello Craig,

I can check with Tina Alvarado who is our tribal law attorney.

On another note, is Joseph Byrd now the Chairman for Quapaw Nation? We are updating our tribal contact list and didn't know when his term would start.

Have a good weekend.

Randy

Randy,

We have been talking at NTAA about having a webinar around the decision from the McGirt case. Do you know of anyone in R6 that would be willing to talk to the decision?

I know we have Regional Counsel representation talk at the RTOC Meeting last week. I wonder if they would be willing to do the same thing for an NTAA webinar.

Thanks,

Good morning,

I want to invite a staff member from pesticides and UST to join a call today on the State of Oklahoma activating the SAFETEA law (see attached).

For UST, my key tribal staff contact was Larry Thomas. I am thinking either Ruben Moya or Christine Cherrett?

For pesticides, I would invite Greg Weiler. Should it be Greg or Eric Nystrom?

Please advise on who I should invite.

Thanks for your assistance.
